IL TEMPO

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

Il Tempo strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it: perhaps an article of a project you are working on or are interested in, how to make or play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/piece of garb that you've made, documentation on an item you've competed, a how-to on documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer; perhaps a short autobiography of your persona or how you came to figure out your persona. The list can go on for ages and is only limited by the speed at which our hands can write what our minds think.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the Current Middle Ages!
