Il Tempo

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

Il Tempo strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it, perhaps an article of a project you are working on or are interested in, how to make/play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/ piece of garb that you've made, documentation on an item you've competed - a how to on

documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer - perhaps a short autobiography of your persona or how you came to figure out your persona.

The list can go on for ages - only limited by the speed at which our hands can write out what our minds can think of.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the current Middle Ages!

We really could use your help

There are several positions in our Barony that could use a Deputy; actually, all of the positions that we have could benefit by having at least one deputy.

Why a Deputy? Well, it is easy for any one of use to intend to do something if we don't take into account that the SCA is what we do with our time after we are finished doing what we do to pay the bills.

With deputies, the work load can be shared, allowing more work to be accomplished with less time and stress for any one individual.

Besides, it is a great way to work with others to do something different to help make yours and other's SCA experience that much better!
