Il Tempo

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

Il Tempo strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it, perhaps an article of a project you are working on or are interested in, how to make/play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/ piece of garb that you've made, documentation on an item you've completed - a how to on

documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer - perhaps a short autobiography of your persona or how you came to figure out your persona.

The list can go on for ages - only limited by the speed at which our hands can write out what our minds can think of.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the current Middle Ages!

ARTS & SCIENCES IN THE SPOTLIGHT

"To all the citizens of the esteemed Kingdom of Atlantia, present and future, Michel Almond de Champagne, Maistresse of Service and Arts sends greetings.

Let your whole community know that with the consent of her Royal Highness Una, I am issuing a challenge to all artists within the Kingdoms boarder.

From Saint Ansgar day to Saint Alphonsus day (February 1 to August 1) I am challenging each artist to create an item that benefits their barony.

By way of meeting this challenge, I am asking that a photo of the artistic gift be posted [here](#). In exchange for this gift given to the barony, each person will receive name fame and a token of my esteem.*

This challenge is made in the 2018th year of the Gregorian calendar.

That this challenge may be held firm and remain untroubled, I have strengthened the present confirmation with the impression of my seal."

Revenge of the Stitch

By Lady Margaret Lad

The Tudors Season Five, Episode One: Revenge of the Stitch, in which Jonathan Rhys Meyers takes yet another hiatus from the show and is replaced by Baron Alric the Mad during a 24-hour sewing bonanza.

Every year in Fair Lady Atlantia there is an event – nay, a crucible – held to test the speed and skill of the great garb-makers of this Kingdom. This event, called Revenge of the Stitch and hosted by the Shire of Spiaggia Levantina, pits teams of six against one another to see who can craft the most beautiful and most accurate creation – from the skin out – in just 24 hours. Teams are judged by six categories: historical accuracy & documentation, construction: fabric, trim, & accessories, construction: sewing, construction: level of intricacy, ensemble, and hand-sewing. This year our Barony of Ponte Alto fielded a team of six, plus one model, in order to compete in this extraordinary challenge, registered under the name Resting Stitch Face – yes, we are hilarious. Team members consisted of Mistress Drea de Pellegryn (mka Drea Leed), Lady Amie Sparrow (mka Amiee Kratts), Lord Stephan Grimm (mka Scott Webb), Lady Margaret Lad (mka Megan Ladd), Vadoma (mka Marlene Martineau), and Lady Leonor Cuerva de Segovia y Avila (mka Jessica Girven). The model for the team was His Excellency, Baron Alric the Mad.

Planning for the team began in November 2017. We were ambitious from the start – drawing inspiration from the 1536 portrait of King Henry VIII by the German artist, Hans Holbein the Younger.

Revenge of the Stitch (cont.)

Because of the complexity and level of intricacy involved in this particular ensemble, the team used its strengths in project planning and management in order to streamline the organization and creation process. Following the event, Mistress Drea ran the final numbers:

- 6 crazy people
- 10 pre-event meetings
- 6 yards of hand-couched embroidery
- 150+ hours of prep and research
- 52 yards of fabric
- 108 fabric pattern pieces
- 74 post-it notes
- 60 hand-cast and hand-decorated jewels
- 52 hand-stitched puffs
- 24 hours of constant sewing with 4 hours (on average) of sleep, to produce:
- 1 Fantabulous Ensemble with 2 minutes to spare!

Revenge of the Stitch (cont.)

Pictured here is the final ensemble and the team of crazies.

"Portrait of Henry VIII is a lost work by Hans Holbein the Younger depicting Henry VIII. It was destroyed by fire in 1698, but is still well known through many copies. It is one of the most iconic images of Henry and is one of the most famous portraits of any British monarch."

We really could use your help

There are several positions in our Barony that could use a Deputy; actually, all of the positions that we have could benefit by having at least one deputy.

Why a Deputy? Well, it is easy for any one of us to intend to do something if we don't take into account that the SCA is what we do with our time after we are finished doing what we do to pay the bills.

With deputies, the work load can be shared, allowing more work to be accomplished with less time and stress for any one individual.

Besides, it is a great way to work with others to do something different to help make your, and other's, SCA experience that much better!
