Il Tempo

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

Il Tempo strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it, perhaps an article of a project you are working on or are interested in, how to make/play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/ piece of garb that you've made, documentation on an item you've completed - a how to on

documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer - perhaps a short autobiography of your persona or how you came to figure out your persona.

The list can go on for ages - only limited by the speed at which our hands can write out what our minds can think of.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the current Middle Ages!

NEW & ANNOUNCEMENTS

EVENT & PRACTICE CANCELLATION

ATTENTION! Due to COVID-19, all non-virtual events and practices are cancelled until further notice.

The Barony encourages everyone to practice social distancing (as well following state and local guidelines) and we look forward to the day when regular activities can resume.

From Kingdom

A message from the kingdom seneschal.

June 29th

Greetings unto the Populace of Atlantia,

In the past week, Their Majesties and I have taken counsel from all of the Baronage and the Great Officers of Atlantia. We have reviewed the information coming from state officials regarding the Covid 19 pandemic and are concerned by the rise in outbreaks in parts of our Kingdom. As the situation continues to be deeply troubling, we studied the options for our Kingdom. As a result, I announce the cancellation of all in-person events and in-person activities (fighter practices, A&S, and meetings etc.) through August 1, 2020. Virtual activities continue to occur and variances for virtual events are available through the Kingdom Seneschal's office.

We are closely watching the situation, and if possible, we will reopen some activities sooner than August 1. We continue to monitor the pandemic state by state, and remain firm that no in-person Kingdom events will be held until all 5 states and the District of Columbia are open and allow gatherings of 500 or more.

The cancellation of all activities means that no official in-person activities; local practices (all marshal activities and archery), A&S, or meetings, will be allowed in any part of Atlantia. An official activity is one publicized via an SCA website, group elist, SCA social media or to the membership of that group, and conducted in keeping with the SCA purpose and rules. We continue working on information regarding reopening activities and events, and will share the plans soon.

The variance we requested from the Board of Directors for the postponement of Crown Tourney has been renewed for 90 days, until the end of September. If necessary, we will request another variance at that time.

University was a tremendous success and it is exciting to see the expansion of other planned activities online. Our Kingdom continues to provide a blueprint on how to develop communities with Virtual Atlantia.

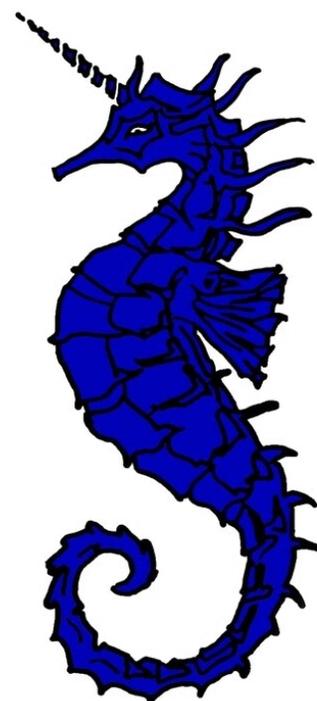

From Kingdom (cont.)

Our primary concern remains the health and well-being of all Atlantians. Their Majesties and I will continue to make announcements and to review the situation as we go forward.

Duchess Simone

A&S Update from Marion Compton

We're holding strong for A&S in June! This month, we had two classes and an open A&S hangout, including about 20 attendees. Atlantia's first Virtual University had an overwhelming turnout, with almost 700 people, including a lot of our wonderful Pontoons as students, teachers, and staff!

Virtual Revenge of the Stitch Round 2 took place during the first weekend of June. 38 people across multiple kingdoms took part, including our very own Baroness Marie-Therese! She was proudly sporting Ponte Alto black and gold for an underdress, overdress, and some awesome progress on a hood with lyripipe. Projects included some incredible weaving, embroidery, garb assembly, knitting, banner painting, quilting, and camaraderie while we all worked together to support each others' projects. Unlike the traditional 24 hours, Virtual Revenge of the Stitch takes place over 2 days, to give everyone plenty of time to participate, and still handle a weekend at home! Round 3 will take place Friday, July 17-Sunday July 19.

Pontoons have been working on some exciting projects that we've been hearing about in our A&S meetings including some baronial belt favors from Lady Sofiya! She's making a whole slew of them for Pontoons and newcomers and deserves a huge shout out for it.

We'd love to feature more works in progress – so feel free to email them to marion.comptonsca@gmail.com, including any pictures you'd like to share!

A&S classes/workshops proposed this month have included some great ideas and we're working on getting some of the following on the calendar:

- A roundtable discussion on how to handle heat and humidity at summer events.
- A cooking A&S class (the current proposal is for pickles or we can do a "how to make your own bread starter if you haven't already").
- A plague mask class.
- Another general A&S hangout with a discussion question to start us all off: If you could make or have any one item for your camp (Pennsic or not) what would it be and why?

We really could use your help

There are several positions in our Barony that could use a Deputy; actually, all of the positions that we have could benefit by having at least one deputy.

Why a Deputy? Well, it is easy for any one of us to intend to do something if we don't take into account that the SCA is what we do with our time after we are finished doing what we do to pay the bills.

With deputies, the work load can be shared, allowing more work to be accomplished with less time and stress for any one individual.

Besides, it is a great way to work with others to do something different to help make your, and other's, SCA experience that much better!

Looking for a way to get involved?

Why not try retaining!

What is retaining?

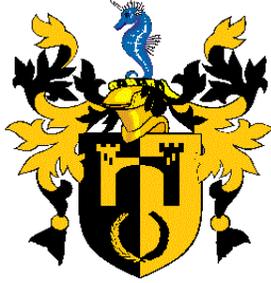

Their Excellencies need help with taking notes (e.g. for gifts or to-do stuff), staying hydrated, reminders to stay on schedule, fetching things, and otherwise keeping Their Excellencies comfortable and out of trouble (especially the Mongol one)!

Who can retain?

Anyone can retain! If you've got free time at an event, Their Excellencies will be very appreciative of your assistance. Plus it's a great way to learn more about what it means to be part of the pageantry of the SCA!

How can I volunteer?

If you are interested in volunteering, or even just finding out more, reach out to our head retainer, Diego Díaz de Oviedo at headretainer@pontealto.atlantia.sca.org
